

2800 W. Higgins Rd. Suite 440
Hoffman Estates, IL 60169

Mission Statement

To unify the voice of the onsite wastewater management industry, increase its professionalism and public image through education of the industry and the public, to develop and nationally represent members and partners, and encourage the industry to share ideas and concerns for the betterment of the environment and human health.

**NAWT will help you...
...now and in the future.**

The National Association of Wastewater Technicians—NAWT—is dedicated to serving the interests of the onsite wastewater management industry.

Whether you are an experienced professional, or just starting out in the industry, NAWT can help your business and enhance your professionalism.

Your *Link* to the Industry...

Goals & Purposes

1. Be the effective voice of the industry, an industry that provides essential services to maintaining a healthful environment.
2. Overcome the problem that our industry has not been recognized and addressed by elected and appointed officials on all levels of government.
3. Give national support for positions taken by state and local groups on legislative and regulatory issues consistent with federal standards.
4. Be the information center for the industry and serve as a communication and education conduit for the gamut of people from public officials to the homeowner.
5. Assist in developing, organizing, and building membership in state associations.
6. Identify, organize, and utilize the purchasing power of the Association to the advantage of its members in the area of products and services we use.

Up-to-Date Technical & Legislative Information
Through our newsletters, mailings, meetings, teleconferences, trade shows, and committees, you'll be able to keep current with all that's happening in the industry.

Networking Opportunities

NAWT can put you in touch with others in the industry with similar concerns. We will also help you form a local or state chapter in your area if none exists.

Education, Training & Certification

NAWT provides opportunities for you to make your company stand out above the others by offering training and certifications in Onsite Wastewater Treatment System Inspection, Operation and Maintenance, and Vacuum Truck Technician, Installer, and Waste Treatment Facility.

*...and to
Your Future.*

Membership Benefits

NAWT is taking a leading role in state and national regulatory affairs, with the EPA and other governmental agencies that affect our industry. We need strength in numbers to effectively promote our industry to these agencies. That's why YOUR membership is important. In joining NAWT, you join a growing network of industry professionals located throughout the U.S. and Canada.

Members enjoy many benefits including discounted rates for NAWT Education programs, no annual fee for the website certification registries and more.

Education, training, and NAWT's National Certification Program

Members have access to our popular Onsite Inspector Training Course, through which more than 3,000 people have trained and listed on a national registry of certified inspectors.

Up-to-date industry Information

Members receive NAWT's quarterly newsletter, NAWT Outlook, and have access to our website, www.nawt.org as well as membership login.

Legislative updates and Representation

NAWT works with the EPA and 16 Signatory Organizations in the Memorandum of Understanding (MOU) Partnership.

Technical Information Resources

Access to NAWT's own septic inspection reporting forms, links to EPA fact sheets and brochures and other important sites as well as access to industry experts through NAWT networking.

Tools

NAWT provides tools to help you increase your professionalism and the profitability of your business.
