NAWT offers 2009 William Hapchuck Memorial Scholarship

The National Association of Wastewater Transporters, Inc., is once again accepting applications for the \$1,000 William Hapchuck Memorial Scholarship. This scholarship is for students attending college full-time in an environmental field as of fall 2009. Applicants must write an essay of 500 words or less, responding to the question, "What role can pumpers play in beneficially reusing waste materials, e.g., alternative energy products, composting, etc?" Students may reapply for this scholarship annually.

To file an application, students should submit the following to the NAWT office:

1. Completed application form (you may convey the same information electronically without the form). The form is available on page 3.

2. Essay of 500 words or fewer.

Applications for the scholarship must be completed and returned to the NAWT office in electronic format (by e-mail or on disk) sent electronically or postmarked no later than **February 10, 2009**. Essays will be judged on originality, clarity and composition by the NAWT Education committee. The winner will be notified on or shortly after February 20, 2008.

The scholarship will be awarded at the Pumper and Cleaner Environmental Expo International in February at Louisville, Kentucky. For questions, call the NAWT office at 1-800-236-NAWT, send a message to info@nawt.org, or see the NAWT Web site, NAWT.org.

Even better NAWT-sponsored 401(k) Plan available now

Working with Edward Jones, a well known national company known for their long-term investing, NAWT has developed a 401(k) Pension Plan that allows you to shelter more income than other plans at an affordable rate.

NAWT is dedicated to seeking innovative solutions to alleviate the increasing demands on our members. We are committed to this new Plan because it offers our membership:

- ✓ Choice in Plan Design
- ✓ Convenient, self-service account access 24/7 via the Internet or telephone
- ✓ Easy online enrollment
- ✓ Accurate online transactions
- ✓ Quick access to plan and employee data
- ✓ Easy access to retirement and investment education tools
- ✓ Convenient transition from SEP/SIMPLE Plans
- ✓ Increased ability for tax deduction
- ✓ Increased employee choices
- ✓ Choice by member to "partner" retirement plan with

- other fringe benefit plans
- ✓ Davis Bacon Expertise with chosen professionals

A 401(k) plan is a company-sponsored retirement plan in which contributions are deducted before taxes are withheld. Contributions and earnings in a 401(k) plan are not subject to federal and most state income taxes until the funds are withdrawn. 401(k) plans can be employer and employee funded or employee funded only. For more information, go to NAWT.org or visit us at the Pumper Expo in Louisville at booth #19003.

Inside Scoop

- 2 NAWT relationships benefit members
- 3 Scholarship application form
- 4 Training & certification schedule

NAWT develops relationships to benefit members

On the pages of this newsletter there is information about relationships and activities that NAWT has developed over the past year to increase member benefits; but more importantly will continue to make NAWT a strong industry minded organization. Being part of the organization and part of an industry wide network of practicing professionals gives you ready access to information, opportunities and training events that are critical to growing your business and

your personal professional development. Therefore, if you are already a member, we encourage you to renew your membership promptly and if you are not a member to become one. Annual fees for the membership categories are: Independent; \$150, Company \$300 and Associate \$300. For dues information contact the NAWT office at 800-236-6298.

Free business listing on Closing.com *USABlueBook* offers NAWT members 10% discount coupon

Closing.com is a new website where consumers and real estate professionals search for services. Consumers and professionals are looking specifically for septic system inspections, maintenance, installation and repairs. NAWT has arranged for its members to have a free listing and as much as a 40 percent discount on upgraded services. Go to www.closing.com/NAWT to get started.

USABlueBook, a premier supplier to the water and wastewater industries, will give NAWT members who renew their membership before January 30, 2009, a 10% off coupon for your next order of any size. They have an 84-page Sewer and Septic Professional Catalog that features the most popular products for NAWT members as well as a 1600-page master catalog with over 32,000 items for water and wastewater operations. Check them out at www.usabluebook.com.

In addition, NAWT is working with them to establish a handbook specific for pumpers similar to their popular Operators Companion. Look for an announcement about this in the next NAWT News.

Pumpers Expo Schedule of Events

As always, there is a full schedule of NAWT sponsored events and activities the week of the Pumper and Cleaner International Environmental Expo in Louisville, Kentucky, February 23 through 28, 2009.
